May

June

July

August

September

October

November

December

This reusable & timeless calendar celebrates nature, makes nature visible and calls for the restoration of our natural world.

With every purchase you support my work for a future where people and planet thrive.

To find out more about the thinking side of my work visit www.charlie-alice-raya.org

This calendar was published in a limited edition of 1,111 calendars, in November 2026, copyright: Charlie Alice Raya, all rights reserved.
